Seaside Ranchos

By BETTY LOU SPARKS

Good news for Seaside, this week is that a map of the proposed changes in the recreation area, showing ball diamonds, lawn area, skating, etc., is to be circulated from house to house. A pat on the back is deserved by all of those members of the Seaside Homeowners Association who have worked so hard to raise the money for this project. However, we're only halfway to our goal, so let's all get behind our association as guest or host at a party or pot luck supper.

Good news, too, is the big Family Day planned as a climax for the fund-raising drive September 3. Beginning with a big ice cream social at 1:00 that Sunday, the family can gather on Doris way to root for—you guessed it—either Pop or Junior in the big Soap Box Derby. Every man and boy in the ranchos is invited to spend his homemade erate down the hill for those special prizes. Adult and Junior classes will be separate and though Dad has to build his car, Junior may use it in the race.

Entrants who already have their numbers are: Paul Barth 1, Harvey Spellman 2, Bill Schmitz 3, Ev. Rowan 4, Jack Pomroy 5 and Leo Siebotham 6. Call George Hanzik, Frontier 5-3876 for yours.

For those whose appetites have been whetted by this contest, a winner roast will be held in the park at 4:00. Then on to a street dance on the circle on Doris way.

A big day for the junior members of the family will be August 29 at the Youth Festival at El Retiro Park. Complete with pony rides, refreshment stand and

Monthly Card Party Set by Church Group

Planning for a successful monthly card party are members of the Altar Society of St. Catherine LaBoure Church in North Torrance. The party, set for 8 o'clock tomorrow evening, will feature customary games and prizes.

Refreshments will be served. Everyone is invited, according to Mrs. Margaret Bennett, chairman.

Location of the church hall, where the party will be held, is Redondo Beach boulevard, east of Prairie avenue.

Townsendites' Activities

Members and guests of Torrance Townsend Club No. 1 will enjoy a pot-luck supper at 6:30 tomorrow evening in Torrance Women's Clubhouse.

Music for dancing will begin at 8:15, according to the president, James Sellers, who points out that interested persons are cordially invited to these club affairs.

A DOCTOR'S BALANCE SHEET

By J. Hugh Sherrey, Jr.

When a doctor strikes a balance of his life he puts all the hard grueling years at school and all the years of privation, hope, disappointment while building his practice into one column and into another one he adds the hard but happy years making people well again, then in bold, strong letters he adds the times when he worked with God to bring babies into the world.

After practicing medicine for 35 years and bringing 2000 babies into the world, Dr. Leslie O. Sale, Fisher, Ill., celebrated his Golden Wedding Anniversary. His most precious gifts were not what you would suppose; they were hearty handshakes of several hundred happy and prosperous men and women who owed their lives to him—they were his babies.

Anyone can accumulate material wealth, but only a Doctor can add human life to his balance sheet.
